

## UP-9105 (Plastic Grate for Drum Spill Pallet with Drain)

- Reinforced 63mm HDPE profile validated by Bureau Veritas for heavy-duty drum support
- High-density polyethylene construction resistant to industrial oils and common chemicals
- Specifically engineered for compatibility with UPQUARK drain-capable pallet models
- Open mesh design enables rapid visual leak detection and easy maintenance
- High-contrast black and yellow colors enhance visibility and safety in indoor environments
- Compliant for non-hazardous liquid containment according to EPA 40 CFR standards

## Technical Data Sheet

Brand	UPQUARK
Model	UP-9105
Dimensions L x W x H cm (in.)	123 x 63 x 6.3 (48.4 x 24.8 x 2.5")
Color	Black
Material	High-Density Polyethylene (HDPE)
Weight kg(lb)	8.2 (18)
Style	Spill Pallet Accessories
